WHO AM I?

Vol. XXIII

Does anyone know who I am?
Where did I come from?
Why am I always in the annual?
Every since 1919, I have appeared in every book published in this school.
Sometimes I am on the cover; then again, I am on the title page, but always I am there - somewhere in the annual.

Why was I put in Volume I of CAPE CHARLES HIGH SCHOOL ANNUAL in the year (1919).

Why am I a tradition?
Why am I a little Indian, clothed in a long dress, holding a bow and arrow?
What is the little animal, trying to climb into the frame with me?
For years I have puzzled students and teachers and friends, but still there is no explanation.
Can someone - someone out there - tel

Can someone - someone out there - tell me, WHO AM I?

A Senior

Twelve years of study has a Senior had, See him so tall and straight and sad. For one brief moment he and a first grader One the beginner; the other, a graduate Have touched hands. One forfeiting his childhood The younger, continuing hers.

Looking at her, the Senior wonders
"Was I ever so small?"
While secretly, for a moment,
He wishes his childhood could last forever
And like Pan, never grow old.
The first grader's face full of admiration
Reminds him of his own gratification
When a Senior noticed him - so long ago.
"And now I'm really one, also."

But now must I turn my eyes
Toward the future.
Who knows what unknown wonders lie ahead?
Yet we must see that our nation is led
Towards the right, by us, the future.
So shall we lift our standards high,
With my generations' cry: "Ad Astra" - to the stars!

Here we are, thirty-four of us, in THE THIRD GRADE. Our road of learning began when Miss Rebecca Scott gave 31 of us a fine boost in the first grade followed by Miss Ellen Parsons in the second grade. Miss Latimer tried to impress us with the beauty of art in the third grade. In the fourth grade Miss Clore worked a few kinks out of us. The next year Mrs. Powell really worked us hard making maps for geography. In the sixth grade, we enjoyed pictures and stories about Mexico from Mrs. Trower. Miss Nye gave us our first exams in the seventh grade. WOW! We also presented the play RASPBERRY RED, at the close of the year. While in the eighth grade we took an unforgettable trip to Washington, D.C. Mr. Kane and Miss Tate were sponsors in the eighth and ninth grades. As sophomores Mrs. Russell took us to Norfolk to visit the museum and park. We also decorated for the High School Prom. As juniors we gave the banquet for the seniors. And now we are seniors. We have had a full and rich schedule all through our school years - working hard and playing hard - gaining and losing members of our class. In our present class of 14, 10 of us were in the first grade together. Joyce Smith joined our class, coming from Norfolk; and Jerry Joyce waited for us a year. We have gained much from each other's various experiences. And now we are about to graduate, and go our separate ways - THE SENIORS OF '60.

Hall of Fame — 1985

I was sitting at my desk one rainy afternoon, dreaming of the happy days at old Cape Charles High School. Glancing through the books that lay before me, I happened to find my hand resting upon the new copy of "Who's Who." Idly I picked it up and opened it; imagine my surprise when I found this:

Charlotte - Is operating a thriving pawn shop in East Hoboken.

Bobby - Has been suffering from sleeping sickness for 25 years.

Joyce - Chief designer for Montgomery Ward catalogues.

Jimmy - Wealthy pearl diver operating in the Chesapeake Bay.

Nancy D. - Possessor of the world's biggest grin.

Billy H. - Owns a large orange grove in Alaska.

Mary - Champion of the "Give America Back to the Indians" cause.

Frank - Is the model used in the "Would you believe I was a 90 lb. Weakling" ad.

Lindsey - Owns world's largest collection of hen's teeth.

Bill N. - Secretary of State who has put international relations back 25 years.

Nancy S. - Matron at the state penitentiary for women.

Jerry - Proprietor of the first pool room ever operated for ladies.

Sharon - Writes an advice to the lovelorn column for a string of comic books.

Jan - Has succeeded Rock Hudson as the country's chief movie idol.

Who's Who in 1964

Take a look into the future with us and see what we'll be doing after we graduate in 1964.

Jimmy Bennett will become the world's greatest golf pro.

Thomas Lee Rippon will replace Flash Gordon as commodore of outer space.

Nancy Sue Lingo will become Fred Astaire's dancing partner.

Carl Lewis will become the first person to land on the moon.

Eric Hamilton will replace Red Skelton as "Freddie the Freeloader."

Barbara Dale Heath will become the world's greatest mathematician.

Tommy Mulvey will replace Edd Byrnes as Kookie on 77 Sunset Strip.

John Bradford will replace Jim Schrader as center for the Washington Redskins.

Ann Wilkins will become Kookie's new girl friend.

Carter Harris will build the world's fastest hotrod.

Harry Lewis III will become Fire Marshal of the United States.

Donna Edgerton will become Miss America of 1964.

Larry Milburn will replace Louis Armstrong as the King of Jazz.

Preston Lewis will become the new home run king of baseball.

Judy Williams will get married and settle down in Cape Charles.

Mrs. Russell, our homeroom sponsor, will discover a new wonder drug that cures all the side effects of all the other wonder drugs.

The above statements were written by Alfred E. Nueman of Mad Magazine who says "What . . . me worry?" because no one in our eighth grade is going to replace him!

ORCHIDS TO -

Mrs. Ames without whose help our annual would be a lost cause.

Thomas Lee Rippon for bringing the daily paper to school each morning. Even though it's sometimes late and very wrinkled it's always here.

Mrs. Dunton and the Air Force bus for bringing so many students to school from the lower part of the country.

Tommy Scott for ringing the bell each day. How can we ever forget the time he kept us in geometry ten minutes too long!

The P. T. A. for our school phonographs, sponsoring our dances, and so many other things.

The Lions Club for putting up our new lights this year.

The boys from the base who helped our football and basketball teams practice this year. This help appears to have paid off for us.

Griff's for our daily paper.

Mrs. Stevenson who "tickled the ivories" for our glee club.

Mr. Ewell for his kind service to the students for organizing and directing the musical presentations of the year.

Mr. Burruss for taking us to Charlottesville and helping us in so many ways.

These numerous trophies, so glorious to us, represent many things besides a few scraps of metal and some dates. What blood, sweat, and tears went into each and every one! Behind each trophy there is a story. Yet there is one common element embodied in each: Good sportsmanship - a quality that our school has always prided itself on, and rightly so.

A trophy gotten by unfair play is not wanted. May all our future trophies be won by hard work and clean play, thus becoming proud and pleasant memories of the past.

RC makes you feel like NEW!

There's a mighty important reason why so many folks go for Royal Crown Cola: They've tried and compared Royal Crown Cola with other leading colas—and by comparison they've found that RC suits their taste best. Yes, RC is best by taste-test—and you get 2 full glasses in the king-size bottle. So, enjoy an RC . . . feel like new. Remember: RC is low in calories!
